## Summary

---

A highly motivated and self-driven front-end developer with a passion for learning and creating user-friendly interfaces. Proven ability to work independently and as part of a team to deliver high-quality projects on time and within budget. I am always looking for ways to improve my skills and knowledge. I regularly attend conferences and workshops, and I am always reading articles and tutorials that can help me with improving my self.

## Skills

---

CSS, HTML, JavaScript, Responsive design, Git, GitHub

## Education

---

**CS50 Harvard University**  
**Computer Science And Programming | 05/2023**

### Online courses

I am always eager to learn new things and improve myself. I believe that the best way to learn is by doing, so I try to find courses on YouTube that allow me to practice what I am learning. I am currently learning front-end development, and I have found that there are many great resources available on YouTube, Udemy, EDX and many different platforms as well.

**Mansoura University | Mansoura**  
**Computer Science And Programming | 07/2025**

**Mansoura Military Secondary School | Mansoura**  
**High School | 08/2021**
